Keynote Overview and Key Takeaways

TITLE: Leading in the New World of Work – Ignite Peak Performance, Foster Distinction and Value, and Unleash Accountability and Engagement

OVERVIEW

We are in a *brawl with few rules*, where the **fast, flexible, and agile** will eat and spit out the slow, over-thinking, and complacent. Individuals and organizations that fail to adapt will find themselves vulnerable, and at the mercy of other people, events, or the competition. In this New World of Work, leveraging **ideas, speed, talent, distinction** and **leadership** at all levels will separate top performing individuals and organizations from the laggards.

The white waters of change are unnerving for many. But the fact is they will only become more turbulent. For organizations and employees who are unprepared, the future will be devastating.

Adapting to and embracing change – igniting engagement, passion, ownership and creativity that is often lacking during times of disruption, is the preeminent competency individuals and teams must cultivate. Learn what it will take to thrive and excel in the ***New World of Work - Future Work.***
